NOTICE

It is hereby informed to all the students of 2022- 2023 ; 2022-2024 and 2021-23 academic years that it has been noticed for some time now that the attendance rate of students in college is very low. So all the students are being asked to come to the college regularly. Students will not be able to attend the upcoming internal exams and final CBT exams due to low attendance. And there will be an internal exam in the Second week of November 22, and the date is 10-11- 2022 and 11-11- 2022 respectively. So all students are requested to **pay their outstanding semester fees by the 7th November 22.** Students who have **low attendance** will not be able to attend the internal exam .
